STROBE / SPEAKER BACK BOX

*For Edwards Systems Technology
Indoor Strobe/Speaker*

DESCRIPTION

The CHASE SECURITY BACK BOX has been designed to make installation fast and simple. The back box offers both protection and attractive design while reducing installation cost and labor once installed. Boxes are designed to cover electrical boxes used in surface mount installations with exposed conduit pipe. It is designed for Prisons, HUD Projects, Universities, Hotels, Parks, Schools, Hospitals, and other public locations where both functionality and aesthetics count.

For over 30 years Chase custom metal products have been manufactured in a variety of sizes, styles and finishes, and sold to OEM accounts and distribution.

Can be used in a variety of applications.
