Designing Products that Protect

Model:
CSCS 28143
Classroom Control Panel

DESCRIPTION

The **CSCS 28143** control panel offers a centralized, easily serviceable hub for components like speaker strobes, clocks, intercoms, cameras, speakers, emergency call buttons, control knobs (lighting, audio, temperature), and various cable ports (networking, HDMI, USB, electrical outlets).

Our custom control panels provide convenient access to essential devices while allowing easy maintenance and repairs without disrupting interior walls. They are well-suited for facilities such as:

- Correctional
- Commercial
- Educational
- Residential
- Medical
- Industrial
- Hospitality
- Religious
- Recreational & Athletic organizations

(Devices for display purposes only)

FEATURES

- Constructed of quality 14-gauge steel.
- Welded at all points for strength.
- Available in a variety of neutral finishes to compliment the surrounding environment.
- Lockable hinged door.
- Dimensions: OD: 28” x 14” x 3” deep.
- Easy installation and servicing
- Expanded options and revisions to existing cutouts
- Custom designed and built to your specifications.
- Matching backbox available for flush and surface mount.

Due to changes in industry, exact product dimensions and features may differ slightly from above.
